

DELAFORCE

FINE TAWNY PORT

Over 30 classic Douro grape varieties can be used to make port but only a handful of the best are planted in the Delaforce vineyards, each contributing its own unique character and flavor to the blend.

These include Touriga Nacional, Touriga Franca and Tinta Roriz. The grapes are selected and harvested by mid September and are placed in small trays which keep them in perfect condition during transport to the winery.

TASTING NOTES

Rich, lightly perfumed, raspberry aroma. On the mouth; smooth, silky, deliciously fresh sweet raspberry fruit flavors. Lovely quality and intensity of fruit. An attractive very fresh well balanced wine.

PAIRING SUGGESTIONS

Serve with crème brule desserts, mild cheese, cheesecake.
